SCHOOL SELECTION POLICY

Divisions for Interhouse Races

Students have swum in all events at Time Trials prior to the Carnival; these times were used to determine their divisions for the carnival. ****Edit – 2017 Time Trials were cancelled due to unfavourable weather. Selections for race divisions were based on previous time trial results, current swimming levels and teacher discretion.**

The top 8 students in each year level will swim in DIV A, the next 8 in DIV B, etc.

The top 4 students in Div A and the top 4 students in Div B in every event, will be placed into a final to be swum at the completion of heats. The results of this final will be used to determine individual championships and PSSA selection.

Selection in the Interschool Team

- Students placing 1st – 4th in a FINAL race gain automatic selection into the Interschool Team to swim in the stroke they are placed in.
- Places may be left available for students that require special consideration, e.g. Time Trial Error, Sickness etc. HOWEVER, any students receiving this “wildcard” must prove themselves at Training and at the Selection Time Trials.
- Further students may be selected, **if needed**, based on consistent results at the carnival, (for example, coming 4th in All Division “A” races)
- The Division that they will swim at the Interschool Carnival will be decided by a Time Trials later in the term, closer to the actual Carnival. This is to allow for further training. When selecting Divisions for the Interschool Carnival the placing from our Interhouse Carnival **will not count**.
- The 2 fastest from this Time Trial will represent the school in Division A, the next 2 will represent the school in Division B, the next 2 Division C.
