

Dear Parents,

As part of St Damien's Catholic Primary Schools commitment to sustainability and the environment, the school will be participating in Clean Up Australia Day on Friday, 24 February. It is our hope that as a school unit we can remove much of the rubbish that currently resides in the local bushland. As part of the school's commitment to this goal, your child will receive instruction within the school's Health curriculum that responds to the types of items that are appropriate for retrieval from the ground and where to collect rubbish from under the overarching focus of student safety and hygiene.

Classroom teachers will be with their classes for the duration of the event. Event signage will be placed to clearly denote our designated Clean Up sites within the community.

**EVENT DETAILS**
