Dear Parents,

As part of St Damien's Catholic Primary Schools commitment to sustainability and the environment, the school will be participating in Clean Up Australia Day on Friday, 28<sup>th</sup> February. Our aim is to remove as much rubbish as possible from the surrounding bushland. Your child will receive instruction within the school's Health Curriculum to ensure they are safely collecting any items they come across.

Classroom teachers will be with their classes for the duration of the event and event signage will be placed to clearly denote our designated Clean Up sites within the community.
