Dear Year 5 Parents and Carers,

I am writing to inform you that Mr Niall McCloskey has been ill over the past week and will be on personal leave for the remainder of this week. Mr McCloskey has endeavoured to return to school each day, but has been prevented from doing so due to being unwell.

To ensure continuity and consistency for all of the students in the 5B classroom, we have had Mrs Meena Pachimuthu assigned to the role of classroom teacher each day during Mr McCloskey's absence and this will continue until the end of this week.

We hope that Mr McCloskey recovers well and returns to the classroom as soon as possible. Should you have any further questions regarding this, please contact me at school daniel.gooch@cewa.edu.au.

Regards,
